Dear Parents

Improved Communication

To help improve our communication with parents we now have a Facebook page. It will provide the opportunity for us to post information which is also on the website and to inform you more easily if there are changes to events. We will continue to send text messages as needed concerning cancelled events. The page is: www.facebook.com/ashprimaryschool. It has the highest security settings and offers the opportunity for us to post and you can share or like a post. This is not a forum for school discussion and we hope this will not be abused. We are trialling this and it will be reviewed by the governors at the end of term.

World Book Day

I wish to remind you that World Book Day is on Thursday 5th March. Letters were sent out earlier this term with the voucher attached. The children are encouraged to come dressed as a character from a book and to bring a donation. The original letter is on the website if you wish to read all of the details. You are welcome to come to join us in the afternoon to read with a small group. Please let Mrs Woods know if you are interested in participating.

Hot School Meals

There have been some concerns expressed by parents about the casserole which is on the menu. It is not popular with the children. We have informed the provider and they will be removing the swede which seems to be the main element which is disliked. This meal will only be on the menu until Easter so hopefully it will be replaced by a more popular choice.

Early Morning Fencing Club

The coach wishes to offer one session on Monday 9th March (usual time) to cover for the one which was cancelled this week. So the sessions left this term are on 9th, 11th, 18th and 25th March.

Yours sincerely
