Dear Parents,

New ways of fundraising for the school

EASY FUNDRAISING

We are always looking for new ways to raise extra funds and the PTA has suggested this as a way of raising funds which we hope will be successful for us.

A local teacher says it has been used successfully by her school. She said, *"Our school has raised over £1000 in a year. A lot of parents do already use cashback sites but easyfundraise is the only one that gives cashback on amazon and ebay purchases. It's fundraising without any effort!"*

This sounds very appealing so I am sending you the details so that you can decide if you wish to participate when purchasing items online. Basically the site is like Quidco or Top cash back. When buying something online you go through this website first and then the school gets a percentage donation.
