Dear Parents,

SIAMS Inspection

I am pleased to inform you of the results of our Church school inspection (SIAMS) which took place at the end of last term. We were delighted to achieve Good and wish to thank everyone for their support. The children were wonderful and received much praise for their behaviour and confidence in talking with the inspector. All parents have been emailed a copy of the report and there is also a copy on the school website: www.ashprimaryschool.co.uk If you wish to have a paper copy then please collect one from the school office.

Here are the main points highlighted as good as to the distinctiveness and effectiveness of Ash as a Church of England school:

- Strong leadership has developed a curriculum which is informed by a distinctively Christian understanding.
- The school's Christian distinctiveness is clearly seen in the quality of relationships between all members of the school community.
- The role of the church community team, and the incumbent in particular, is very effective in promoting Christian values.
- Collective worship promotes children's thinking leading to deeper questions being considered which develops their understanding.

Following the inspection, we agreed next steps with the inspector. We are putting an action plan together so that we continue taking the school forward. When you have read the report if you wish to discuss anything in further detail then please do make an appointment to meet with me or Reverend David Gent.

Thank you for your continued support

Mrs Nicola Roberts (Headteacher)
