3<sup>rd</sup> March 2017

Dear Parents,

### Borrowing Books from the School Library

Today the children had the opportunity to start borrowing books from the refurbished school library. Thanks to the money donated by the PTA and Scallywags, along with our grant from the Yeovil Federation, the library is well stocked and we have our new scanning system fully operational.

The children will have the opportunity to choose a book to take home to read. They can keep the book for one week and next Friday they will have the chance to exchange it for another. If they wish to keep it longer they may do so but they will be unable to select another until it is returned. It is important that they do not just put it back onto the shelves once they have finished as we need to keep track of the books.

If they finish their book and wish to bring it back into school before Friday then they should keep it in their classroom rather than take it to the library. Eventually there will be more slots introduced for returning and selecting books but at this point it will just be once a week.

### World Book Day Donations

It was lovely to see the children arrive at school in their very interesting outfits for World Book Day. During the day there were opportunities to share books and hear stories. The money donated went towards the drinks and cakes for the café and also towards some more new books for the classes and school library. Thank you for supporting us on this special day.

Yours sincerely

Nicola Roberts
