**HEADTEACHER: NICOLA ROBERTS**

19<sup>th</sup> March 2020

Dear Parents/Carers,

### **Re: Coronavirus update – school closure to most pupils**

Following on from my last update, I'm now writing to let you know that **we have now been instructed to close the school to almost all children after this Friday until further notice.**

As advised by the government, we will do all we can to stay open for the children of key workers (e.g. NHS staff, police, others in frontline services) and children with certain needs.

We are waiting for the government to publish more information on what this means, but it would help us in the meantime if you could let us know if you think your child may fall into one of these categories. Please email or call the school with the following information:

- Child's name and class
- Occupation and employers details of each parent/carer
- If you believe you fall into the vulnerable category, please contact us and we can provide further guidance

We'll be in touch again as soon as we are sure who this does apply to.

**All other children will need to stay at home, so we ask that you do not send your child into school from Monday onwards.**

Please note that this is a national closure – as you may have heard in the news – so while it is a challenging situation, we are not alone. We'll re-open fully as soon as we can and will let you know when this is by our usual communication methods.

### **What we'll continue doing while your child is at home**

Your child's learning is of course important to us, so we'll continue to help your child to learn.

Every child will come home with a pack of work this Friday. If your child is already off school, their pack will be held in the school office until the end of school on Friday. If you would like it sent home with another family please call and let us know. There will also be guidance concerning on-line working sent out to you.

If your child usually receives free school meals we will also be in touch with more information about how we will continue to provide this, with support from a scheme that the government has just announced.

### **What we won't be able to go ahead with**

- School trips
- Breakfast or after-school clubs
- Events

This is as much as we know right now and we appreciate your continued patience with as we deal with this ever-changing situation. We understand that this latest news will have an impact on you and your family and it's far from ideal, but we'll continue to keep in touch with any updates as the situation develops.

And remember: if you or your child feels ill and you want to know what to do next, please use [NHS 111 online](#).

Thank you again for your continued support, and we will be in touch with more information when we can.

Yours sincerely

Nicola Roberts
