Dear Parents/Carers

Half Term Break

I am contacting regarding the half term break which is due to take place from Monday 25th – Friday 29th May.

My staff are quite tired and do need a break as it is very demanding running the school childcare, planning and marking the work on Google Classroom plus for many coping with their own children's needs. I am also aware that many parents and children will welcome a break from the school work and current demands.

As we are being guided for certain year groups (Y6, Y1 and YR) to return to school on Monday 1st June, I wish to ensure that the staff are ready to cope with the new working conditions which will be in place. They will also need time to prepare to best meet the needs of the children on their return. We will have the school deep cleaned and also set up socially distancing markings plus other preparations needed for June 1st.

I therefore wish to close the school for the week. I hope this will not cause too many difficulties and hope alternative arrangements can be made for this time for those families currently using our childcare facilities.

Please contact me if you wish to discuss this further

Take care
