HEADTEACHER: NICOLA ROBERTS

25th May 2017

Dear Parents,

Safeguarding of the school site

Following an inspection of the school site by the Somerset Safeguarding officer, we have been advised that it is important to make the site more secure. This action will offer greater protection to the children at the school and the pre-school.

We have been advised that it is necessary to install gates and fencing between the school car park and the school field and playground. The school and pre-school are putting funding towards the cost.

We are keen that it does not spoil our beautiful site but of course the children's safety and wellbeing are paramount. Once the fencing has been erected we have plans for climbing plants and flowers to be planted. It will be different to start with but I am sure we will soon adjust to the changes.

Work on the fencing will start at the end of the half term holiday and in the week following. I will send a further letter once the fencing is in place to advise any changes to accessing the school site.

I hope everyone has an enjoyable half- term and that the weather is sunny.

Yours sincerely

Mrs Nicola Roberts and School Governors
Headteacher
