Autumn Term 2017

Our aim is to raise as much money as possible so that every child in the school can benefit from little (or big!) extras.

We are a friendly, approachable group of parents who want the children to benefit from new equipment, fun school trips and enjoyable fundraising events. We always welcome input, feedback and suggestions. Our ultimate aim remains unchanged...fundraising for all the children.

Everyone is welcome to the meetings. It's a great chance to socialise, chat and be the first to hear about upcoming events in the school.

What are we raising money for?

We have spent the last year fundraising for a new Trim Trail for the playground. The Year 6 children have been studying designs for the trim trail and the school are nearly ready to put in an order to hopefully allow it to be in place for the better weather next year. We also raise money to subsidise the children's school trips, provide new equipment for the school and to give each class a Christmas present.

The Autumn term is always jam packed with events and it gets steadily busier as we get to the end of the year. I want to say a personal thank you to everyone on the committee and all those who have supported the PTA whether you've helped at events or attended them.

It is a very busy and expensive time of year so it really is appreciated.
