

Apps and Websites List

General

- ICT games - lots of free games in a range of subjects.
- Top marks - as above.
- KS1 section of the BBC bitesize website
- KS1 section of Crickweb.co.uk

Reading & Spelling

- Alphablocks – app as well as website
- Phonicsplay.co.uk – lots of free games.
- Mr Thorne Does Phonics – Youtube channel with lots of free videos. There are also a range of Mr Thorne apps.
- “Nessy” Youtube channel with free videos. Nessy Learning also produce Hairy Phonics, Hairy Letters & Hairy Words apps.
- Spelling Assistant (app)

Handwriting

- Teachhandwriting.co.uk – free handwriting animations. Go to “Joins”, then “Continuous Cursive – Beginners” for the joins that we are learning in class.
- L’escapadou – unfortunately not free, a French app which is useful for working on joined letter formation.

Maths

- Mathematics: your child’s logon is in the front of their reading record.
- Hitthebutton (not free as an app, but it is free on the website)

The following are US maths websites but the ‘Kindergarten’ & ‘Grade 1’ sections have relevant games.

- Softschools.com
- Mathplayground.com
- Maths bingo (app)
