

Optional Maths Home Learning

Practise:

Counting forwards and backwards from different numbers.

Counting in 2s, 5s and 10s. Challenge: 2, 5 and 10 times tables.

Number bonds to 10 and 20. Challenge: Use number bonds to subtract.

Adding and taking away by counting on and counting back or using a ruler as a number line.

Play:

Board games: Snakes & Ladders or any dice game.

Dominoes.

‘What time is it?’

Shopping: count out the money and give change, estimate how many items are on the conveyer belt, time how long it takes to do the shopping.

Measuring: how tall is your favourite teddy, how wide is your kitchen, which of your toys is the biggest?

Cooking: weigh different items in the kitchen, or see if you can guess how many millilitres in different bottles.
